WORK EXPERIENCE

Web Developer

Sulphil Tech Hub | *Dec 2022 – Present*

- Developed a full-stack online bidding platform using React.js (frontend), PHP (backend), and MySQL (database).
 - Implemented secure user login with JWT and built admin functionalities with role-based access control.
 - Designed and deployed a responsive company website for *Cunic Energy Services* using HTML5, CSS3, Bootstrap, and JavaScript libraries like Isotope and WOW.js.
 - Integrated a PHP-based newsletter form for collecting email signups.
 - Worked with teammates to improve product interfaces and performance using version control and GitHub collaboration.
 - Ensured mobile responsiveness, SEO optimization, and fast load times via CDN and best practices.
-

Frontend Developer (Intern)

Total OBAGI Scholarship Program | *Sep 2024 – Apr 2025*

- Collaborated in a team to prototype a telehealth appointment booking system using React.js and Node.js.
 - Integrated PostgreSQL database for managing patient data and appointments.
 - Revamped internal UI using Next.js and Chakra UI for better admin experience.
 - Built responsive, mobile-friendly components in line with accessibility standards.
 - Assisted in integrating APIs (e.g., Twilio) for appointment reminders.
 - Participated in code reviews and team scrums during project sprints.

EDUCATION

University of Calabar, Cross River State

B.Sc. in Geology — 2017

Training & Certification

Total OBAGI Tech Scholarship Program — 2025

- Full Stack Web Development (Frontend: React, Backend: Node.js & PostgreSQL)
 - Software Engineering best practices
 - Project-based learning in a collaborative environment
-

Awards

- Best Graduating Student – Total OBAGI Tech Scholarship Program (2025)
-

Projects

1. Online Bidding System

- Tech: React, PHP, MySQL, Axios, Bootstrap
- Features: User registration/login, bid submission, admin approval, JWT authentication

2. Corporate Website – Cunic Energy

- Tech: HTML, CSS, JavaScript, Bootstrap, jQuery
 - Features: Mobile-responsive design, animations, PHP newsletter form
